Notes:

- (1) Amounts reflect actual expenditures for FY 1979 through FY 2009 and appropriations for FY 2010. Figures are based on FY 1979 through FY 2010 annual JLBC Appropriations Reports. FY 2010 is adjusted for action subsequent to the Appropriations Report. In other tables, on the Web site, statewide actuals reflect figures as reported by the Executive Branch and may not tie to the agency-specific actual expenditures reported here.
- (2) Numbers do not include General Fund expenditures on capital projects.
- (3) Prior to FY 1986 amounts for DEQ are shown in DHS.
- (4) Office of Manufactured Housing was consolidated into Department of Building Safety starting in FY 1986.
- (5) Prior to FY 1988, amounts for Geological Survey were shown in University of Arizona. The inspection and application review functions of Oil and Gas Conservation Commission were transferred to Geological Survey in FY 1992.
- (6) Prior to FY 1991, the functions of Department of Juvenile Corrections were included in Department of Corrections.
- (7) Teachers' Retirement, administered by DOA from FY 1981-84 but "rolled over" into the Basic State Aid formula beginning with FY 1985, has been added to K-12 Education during those years for continuity.
- (8) General Fund actual expenditures for DPS were estimated from appropriated amounts for fiscal years 1979-81 due to the co-mingling of General Fund and Highway Patrol Fund monies during those years.
- (9) Prior to FY 1986, amounts for Department of Weights and Measures were included in DOA expenditures.
- (10) FY 1987 expenditure of \$189,500 was for Joint Legislative Committee on Groundwater and Surfacewater Exploration.
- (11) Governor's Office of Strategic Planning and Budgeting was initially funded by a FY 1991 appropriation to Executive Budget Office within DOA. Created by Executive Order 95-17 to coordinate the Office of Strategic Planning & Budgeting and the Office for Excellence in Government beginning in FY 1998. Prior to FY 1998, the Office for Excellence in Government was funded in the Office of the Governor. Beginning in FY 2000, OSPB and OEG were funded as separate budget units.
- (12) The FY 1993 appropriation for Courts Subtotal includes a Lump Sum Reduction of \$636,900, which has been allocated among the Courts as directed in the 1992 General Appropriation Act footnote.
- (13) Commission of Agriculture and Horticulture, Dairy Commissioner, Arizona Livestock Board, and Egg Inspection Board were combined to form Department of Agriculture in FY 1991.
- (14) Board of Appraisal was established in FY 1990 with \$75,000 from the General Fund for start-up costs. The agency did not start operating until FY 1991 and the Board was allowed to carry forward the start-up appropriation and expend it in FY 1991.
- (15) In fiscal years 1992, 1993, 1994, and 1995, the General Appropriations Act appropriated \$2,500,000, \$2,000,000, \$1,000,000, and \$1,000,000 respectively, as a loan to the Arizona Criminal Justice Commission. These amounts revert to the General Fund upon receipt of federal funds. This practice was discontinued in FY 1996.
- (16) Reductions in DPS General Fund expenditures in FY 1992 result from shifting of costs to other funding sources (including HURF, CJEF, RICO, and insurance premium tax revenues) and transfer of prior-year appropriations for automated fingerprint ID system.
